Tragic Fire Outbreak Reported at Utumishi Girls Academy

Published on: May 28, 2026 | Category: School News

Latest Update: A devastating fire has occurred at Utumishi Girls Academy in Gilgil, Nakuru County. Emergency teams are currently at the scene.

A sad cloud has hit the education sector this morning following a tragic fire incident at Utumishi Girls Academy in Gilgil. The fire broke out in the early hours of Thursday, May 28, 2026, causing heavy damage and loss of lives.

What We Know So Far

- **Casualties:** Reports indicate that at least 10 students are feared dead from the incident. The final numbers are yet to be confirmed.
- **Timeline:** The fire started at around 1:00 AM while students were asleep in their dormitory. Emergency response teams, including the Kenya Red Cross, were officially notified at around 3:30 AM.
- **Ongoing Actions:** The school management and local security officers are currently doing a headcount to make sure every student is accounted for.
- **Information for Parents:** Many anxious parents have gathered at the school gate. The administration is currently allowing only parents into the school compound as emergency teams continue their work.

Investigation Status

The main cause of the fire is still unknown. Police and safety investigators are expected to start looking into the matter immediately after the scene is cleared and made safe.

We send our deepest thoughts and prayers to the families, students, and staff affected by this painful tragedy.
